*Hi! I'm Kenroy. An avid Software Developer who wastes no time becoming the best version of myself, with an unquenchable thirst for knowledge. I am a third year Computer Science major at the University of the West Indies and I passionately enjoy what I do. I am willing to learn whatever is necessary to get the job done in the least amount of time and work well in teams.*

## Experience

### Department of Computing *Lab Tech - UWI Mona - Sep. 2016 - Apr. 2017*

I have several responsibilities in this role, including:

- General maintenance of the Engineering Computer Lab.
- Answering any general and technical questions from students.
- Assisting with the marking of lab exercises.
- System administrative duties for Linux and Windows

### Artuvic IT Solutions *Intern - Mona Technology Park - Sep. 2016 - Dec. 2016*

- Android Developer - I worked on small teams undertaking complex projects that included android application development.

### Sutherland Global Services *Customer Service Consultant - Feb. 2015 - Aug. 2015*

- My first foray into customer service. Under the account StubHub, I finished training at the top of my class and was consistently commended on professionalism, teamwork, customer engagement and rapid uptake of new material in a constantly changing environment.
